Dear Parents and Carers,

Halloween

On Monday, the children and staff came to school in their spookiest costumes for Halloween. There were some amazing and frightening costumes! With your kind donations, we managed to raise £172 towards our school library bus. Well done everyone!

Here are some pictures from the day:

A message from the Friends of Springwell Village:

The Friends of Springwell Village are helping to organise a Christmas raffle to raise money for a new school library bus. We desperately need good quality, raffle prizes to be donated. Do you have any unused gift sets or items that would be tempting prizes for our raffle? Please could any donations be sent into school by the 10th November, thank you.

House Captains

Our House Captains did a fantastic job of organising the Halloween Scavenger Hunt and colouring competition this week. The winners of the Scavenger Hunt and colouring competition will be announced early next week. Thank you to our house captains for organising these events for everyone in school to enjoy.

Special Visitor

This afternoon we welcomed top athlete, Lucy Turner to the school. She led a sponsored fitness circuit that all children took part in. After completing our circuits, we had an inspiring question and answer session with Lucy. Money raised, will be used to improve physical activity within the school, while also supporting both athletes and para-athletes. There is still time to hand in sponsorship forms and pay via parent pay! Thank you for your support.

Poppy Appeal

We will be supporting the British Legion once again by selling poppies in school next week for a suggested donation of 20p. If we have any further merchandise delivered to

school, we will let you know next week. We will be marking Remembrance Day on Friday with a special Remembrance assembly.

Parents' Information Meetings

Thank you to those parents and carers who were able to come along to the year 6 parents' meeting on Tuesday – we hope you found it useful. At 4:30pm this Tuesday, 8th November, we will be holding a meeting for year 4 parents about the multiplication tables check. We hope you can join us on Tuesday.
