

Year 1 Curriculum Overview – Spring 2

Maths

This half term, we will focus on addition and subtraction up to 20. We will be learning different strategies to support ourselves and start counting on in our heads. We will play lots of games to help us recall double facts and number bonds quickly.

We will then explore length and height and compare different lengths and heights. We will then move onto measuring length in cm.

English

In English this half term, we will write a recount about an event using time language and using the conjunction 'and' to join 2 sentences together.

We will continue to focus on writing in sentences with the correct punctuation and spelling tricky words correctly.

In reading, we will be making predictions and discussing new vocabulary. We will continue to learn new sounds in our phonics sessions.

RE

In RE this half term, we will continue to explore 'Who is Jewish and how do they live?' We will look at different stories from the Torah and what this teaches Jews.

PE

In PE this half-term, we will be improving our hand-eye coordination and movement by working on our basic skills with our coach from the Foundation of Light.

PHSE

In PHSE this half-term, we will be learning about changes such as those that take place when we grow from young to old.

How to get involved at home

- Use Phonics Play Obb and Bob to read real and nonsense words.
- Look at the weather forecast and discuss daily weather changes.
- Read your home reader weekly and practise your homework sounds.

Geography

In geography this half term, we will learn the four countries of the UK and be able to identify them on a map. We will learn all about seasonal weather patterns and identify weather in different seasons. We will also learn about adverse weather and the destruction it can cause.

Science

In science, we will continue to observe seasonal changes. We will continue to learn about materials and their properties through simple scientific investigations.

Music

In music this half term, we will be listening and reviewing a range of different music such as Vivaldi and the Four Seasons.

DT

In DT this half term, we will be learning how to join different materials. We will then use these skills to plan and create bridge sculptures taking inspiration from local bridge structures.
