

# Friday Newsletter

Springwell Village  
Primary School

Friday 7<sup>th</sup> June 2024

Dear Parents and Carers,

## Happy Retirement!

Today, we have said an extremely fond farewell to Mrs Bowman who has worked at the school for 27 years. The children presented her with some lovely flowers and a book full of their pictures and messages wishing her well. We all wish Mrs Bowman a very happy and relaxing retirement.

## Father's Day Gift Sale

Just a reminder that we will be holding our Father's Day gift sale on Monday of next week. The children are busy decorating their gift bags and will bring their gifts home next Friday in time for Father's Day on Sunday 16<sup>th</sup> June.

## York Residential

Year 5 had a fantastic time in York earlier this week. They enjoyed visiting lots of York's famous attractions including Jorvik, the Castle Museum and Chocolate Story. They also enjoyed a lovely evening cruise along the River Ouse!

## Year 6 Story Bag Project

Before half term, year 6 made some story bags for our younger children in nursery, reception and year 1. They worked really hard to make lots of lovely things to go with their chosen story. This afternoon, year 6 delivered their finished bags to the younger classes for them to enjoy.
